All expenditures listed on Schedule B for line 30b during this period are generic, and not made on behalf of any federal election or federal candidate/committee. During this reporting period, payroll, payroll taxes and fringe benefits for any committee employee who spent 25% or more of their time on activities related to a Federal election are being reported as Federal Election Activity and show on Schedule B for line 30b. All salaries, wages and/or fringe benefits reported on Schedule H4 are for employees who spent less than 25% of their time on federal election activity or in connection with a Federal election. The committee hereby incorporates by reference Form 99 Miscellaneous Report, June 20, 2009, outlining its policies with regard to payments received by candidate committees for goods and services provided. The Republican Party of Iowa owns and operates its own building and land at its headquarters in Des Moines, Iowa. This committee does not recognize registered lobbyists or registrant committees for purposes of aggregate contributions. The Republican Party of Iowa follows a best efforts policy/procedure that begins with a clean and conspicuous request from donors for their full name, mailing address, occupation, and name of employer at the initial solicitation for a contribution, informing the contributor of the requirements of federal law for the reporting of such information, as required by under 11 CFR 104.7. Upon receipt of a contribution, collected donor information, as reported by the donor, is captured into our contributor database for purposes of reporting on the next FEC disclosure report. All contributors who have crossed the \$200 cumulative threshold and have not provided sufficient information are sent correspondence requesting the missing information (that does not include a solicitation of contribution), including a postage-paid return envelope. This is completed on a twice monthly basis. If information is still missing at the time of a reporting cutoff, a phone contact is made. A record of the correspondence is documented and retained for verification. Every effort is made to never have missing information on each disclosure report before filing; however, when information is received following a filing, amendments of the original report or memo entries on subsequent reports are submitted.
